Prayer Before Mass

Father in heaven, we wish to prepare well for participation in this Mass, in which we enter the Last Supper, Passion, Death and Resurrection of your Son, Jesus Christ. He is as present to us today in his Word and in the Eucharist, as he was with his apostles.
Holy Spirit, please quiet our minds from the busyness and distractions of our day, so that we will have hearts and minds attentive to the words of Jesus and ready to receive his Body and Blood in Holy Communion.
Blessed Mother, take our hearts and give us yours, that like you, we may ponder Jesus' words and do whatever he tells us to do. We make this prayer through Christ our Lord, Amen.

"If only we knew how God regards this sacrifice, we would risk our lives to be present at a single Mass."
– St. Pio of Pietrelcina

Amazing Eucharistic Miracles

Eucharistic Miracle of
VOLTERRA
ITALY, 1472

In 1472, during the war that broke between Volterra and Florence, a soldier from Florence, having entered in the Cathedral of Volterra, managed to take possession of the precious Ciborium of ivory which contained numerous consecrated Hosts. As soon as he left the Church, taken by a fit of fury against the sacramental Jesus, he threw the ciborium with its precious content against a Church wall. From it, came out all the Hosts, which - illuminated by a mysterious light - elevated themselves in the air and remained suspended for a long time. Many are the witnesses that were present at the event.

Among the principal causes that unchained the pointless Allumiere war, which finished with the sacking of Volterra in 1472 by the army of the Duke of Montefeltro, were above all, the contrast that broke between the different social classes and the personal interests of Lorenzo di Medici. Absorbed by the Florentian state, Volterra was subjected to harsh treatment, which caused the emigration of many wealthy families and the appropriation of their goods at bankruptcy prices. It was in this historical scenario that in 1472 our Eucharistic miracle was verified. Among the most authoritative witnesses that describe the miracle, we have the written relation of Friar Biagio Lisci, who was a direct witness. The relation is now kept in the archives of the Church of Saint Francis. We also have some municipal acts preserved in the municipal library of Volterra. A soldier from Florence entered the Cathedral Church and immediately went to the tabernacle, from which he took the ciborium with consecrated Hosts inside, along with many sacred objects. As soon as he left the Church, taken by a very strong hatred against Jesus the Eucharist, flung the ciborium against one of the external walls of the Church, and all the Hosts came out from it, which - as if held by an invisible hand - elevated themselves in the air, all radiant with light. The soldier fell to the ground out of fright, and having repented, began to cry. Many were the witnesses who were present at this marvel.

"Every family needs a father – a father who shares in his family's joy and pain, hands down wisdom to his children and offers them firm guidance and love."
- Pope Francis

Every day, people in our community are helped because of support from funds raised through the Catholic Ministries Appeal.

Today, consider a dad like Paul. Paul saw information about the Catholic Ministries Appeal at his local parish, and he knew he had to turn to the Church for help since he had nowhere else to go. Paul had been gainfully employed for more than 10 years when he began to fall ill. Soon his medical issues made it impossible for him to keep working and he was forced to go out on disability.

After paying the co-pays on his medications, his family's rent and utilities bills, Paul had very little left to purchase food and other necessities for his family.

It was hard for him to ask for help, but with nowhere else to turn, he did. Catholic Charities found him a specialist who assessed the family's needs and directed them to appropriate resources in their community. He went to his Parish Outreach, where his family received food that allowed them to make it through the month. Paul and his family received the help they so desperately needed.

Today, Paul is back to work and the family is doing well. *"I am so thankful that I know there is somewhere I can turn, where there are people that care, people I can talk to, if I am ever in such a situation again,"* shared Paul.

Please consider donating to the Appeal and making a difference in the lives of others.
