"If only we knew how God regards this sacrifice, we would risk our lives to be present at a single Mass." – St. Pio of Pietrelcina

Prayer Before Mass

Father in heaven, we wish to prepare well for participation in this Mass, in which we enter the Last Supper, Passion, Death and Resurrection of your Son, Jesus Christ. He is as present to us today in his Word and in the Eucharist, as he was with his apostles.

Holy Spirit, please quiet our minds from the busyness and distractions of our day, so that we will have hearts and minds attentive to the words of Jesus and ready to receive his Body and Blood in Holy Communion.

Blessed Mother, take our hearts and give us yours, that like you, we may ponder Jesus' words and do whatever he tells us to do. We make this prayer through Christ our Lord, ***Amen****.*

SOLEMNITY OF MARY, HOLY MOTHER OF GOD – JANUARY 1ST

Do you ever feel that some things are worth fighting over? Way back in 431, there was a bitter controversy among theologians over the role of Mary in the Church. So, the bishops held a meeting, called a council, at Ephesus, a city in Greece. Its purpose was to correct the errors that Nestorius, the bishop of Constantinople, was teaching the assembly of 150 bishops. They debated the question, "Who is Mary in God's plan?"

In the end the bishops declared that Mary was to be called **Theotokos**, a Greek word that means "God-bearer." They said that Mary is really the Mother of Jesus and Jesus is really God. So, it must be said that **Mary is the Mother of God**. The Council of Ephesus confirmed an ancient belief of the Church. The oldest Christian greeting of Mary as proclaimed when Mary's relative Elizabeth called her ***"Mother of my Lord."*** When Elizabeth welcomed Mary, she recognized both the great privilege God had given Mary and Mary's great faith in accepting it. No one heard the Word of God and believed it more than Mary. Jesus was able to enter human history because Mary made a gift of herself to God in faith.

For centuries Mary has been praised because she believed. She is Mother of God because of her faith in God. The Solemnity of Mary, Mother of God, celebrate Mary's faith and trust in God alone. The Church wants us to call on Mary, Mother of God, and ask her to help strengthen our faith. She will listen and answer our prayers. The Church wants us also to imitate her faith. As we honor Mary today, we rely on her to help us grow in faith and trust in her divine Son.

FROM THE PASTOR'S DESK

The St. Nicholas Society wish to thank all parishioners for your generosity this year. We collected a great number of men's sweat pants for the men's shelter run by the Franciscan Friars of the Renewal, in the Bronx. They expressed their gratitude for the gifts and the ***$1,200*** received from the Thanksgiving Day collections.

May God bless you all!

In Christ,

Father Robert Fabré

Eucharistic Miracle of VOLTERRA

ITALY, 1472

In 1472, during the war that broke between Volterra and Florence, a soldier from Florence, having entered in the Cathedral of Volterra, managed to take possession of the precious Ciborium of ivory which contained numerous consecrated Hosts. As soon as he left the Church, taken by a fit of fury against the sacramental Jesus, he threw the ciborium with its precious content against a Church wall. From it, came out all the Hosts, which - illuminated by a mysterious light - elevated themselves in the air and remained suspended for a long time. Many are the witnesses that were present at the event.

Among the principal causes that unchained the pointless Allumiere war, which finished with the sacking of Volterra in 1472 by the army of the Duke of Montefeltro, were above all, the contrast that broke between the different social classes and the personal interests of Lorenzo di Medici. Absorbed by the Florentian state, Volterra was subjected to harsh treatment, which caused the emigration of many wealthy families and the appropriation of their goods at bankruptcy prices.

It was in this historical scenario that in 1472 our Eucharistic miracle was verified. Among the most authoritative witnesses that describe the miracle, we have the written relation of Friar Biagio Lisci, who was a direct witness. The relation is now kept in the archives of the Church of Saint Francis. We also have some municipal acts preserve

d in the municipal library of Volterra. A soldier from Florence entered the Cathedral Church and immediately went to the tabernacle, from which he took the ciborium with consecrated Hosts inside, along with many sacred objects. As soon as he left the Church, taken by a very strong hatred against Jesus the Eucharist, flung the ciborium against one of the external walls of the Church, and all the Hosts came out from it, which - as if held by an invisible hand - elevated themselves in the air, all radiant with light. The soldier fell to the ground out of fright, and having repented, began to cry. Many were the witnesses who were present at this marvel.

THE HOLY FAMILY OF JESUS, MARY & JOSEPH

A family is a special gift of God to each of us. A family

is a result of God's love made visible through the special love of a man and a woman for each other. We need family. We need to accept the support and love given by family members, and we need to share our support and love with them.

On the feast of the Holy Family, we celebrate the family life of Jesus, Mary, and Joseph. These three people lived for God and loved and supported one another. The Holy Family is a model for all Christian families.

The Scripture readings for the Gospel on this feast occur in a three-year cycle, which means that one of the three Gospels is read on this feast. Each of the Gospel accounts has a message for today's families. The first one shows the obedience of Joseph to the angel's command to leave for Egypt and Mary's cooperation with her husband. Just as these two parents showed fidelity to each other, so all Christian parents should live in fidelity and mutual support.

The second reading shows Joseph and Mary bringing the infant Jesus to the Temple to present him to the Lord. There Simeon prophesies that Jesus came for both Israel and the Gentiles. Just as Joseph and Mary showed Jesus to the world, so all Christian families, by their living example, should give witness to Christ.

The third Gospel reading tells of 12-year-old Jesus traveling with his parents to the Temple, but not returning with them. When his parents find him, he returns to Nazareth with them and is obedient to them. In a Christian family all family members should respect one another and work together in a loving way.

On this feast take a new look at your family – a look of appreciation for its strengths and a look of understanding for its weaknesses.

The Most Holy Name of Jesus

The name Jesus was given to the Holy Child at God's command (Luke 1:31). The Holy Name is all-powerful because of the Person who bears it. We honor it because of the command of Christ, that we should pray in His Name and because it reminds us of all the blessings we receive through our Holy Redeemer. Hence St. Paul was able to write to the Philippians: "…at the name of Jesus every knee should bend of those in heaven, on earth, and under the earth" (Phil 2:10). By means of this devotion we also make amends for improper use of the Holy Name.

On this day, **January 3rd** you might incorporate into your prayers some special prayers of reparation to Jesus for the blasphemies against His Holy Name. The Church has granted an indulgence of 7 years for the recital of the Litany of the Most Holy Name. The feast of the Holy Name is a good time to explain the meaning of the monogram "IHS" to the children (Latin abbreviation of Christ's name.) You could also teach your children to practice of bowing one's head at the name of Jesus.

O Mary
conceived without sin,
Pray for us
who have
recourse to thee.

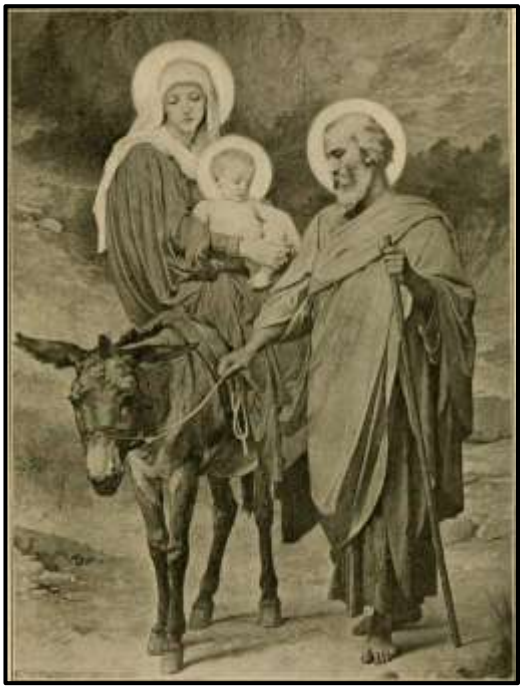
Jesus, Mary & Joseph

The Flight to Egypt

Matthew 2:13-15, 19-23



Today we continue our celebration of the Christmas season by honoring the Holy Family. In our Gospel reading from Matthew, we learn about the flight of the Holy Family to Egypt. An angel appears to Joseph, telling him to take Mary and their newborn son Jesus and flee because danger was on the way. King Herod was worried that a new king had been born, thereby fulfilling the prophecy of the Israelites. Herod wanted this new King to be found and destroyed. We know that this prophecy in the Old Testament was fulfilled in Jesus' birth, but King Herod and the people were looking for a Savior who was a king, a warrior or prince in purely human terms. Herod didn't want anyone to take his throne away from him. Obviously, Jesus didn't come to take away Herod's throne, but to bring the kingdom of God and to save us from our sins. God sent His only Son to be born in a manger and to walk among us so that He might show us how to be in a right relationship with God. He also shows us what is important in God's eyes. It isn't wealth and power but instead love of neighbor and kindness. How can we live the kingdom of God in family life?

Activities:

- What is something you can do to grow in your relationship and love for the Lord? What about praying the Rosary daily or reading the Bible regularly—what is a new gift you can give Jesus this year?
- What virtues do you see in the Holy Family that are lacking in your family? What can you do today to make your family more holy?
- Do you think of God as your father? What can you do to have more of a relationship with God the Father?
